**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have very few options for internet service. More competition means lower prices and more options. Please say NO to price increases for internet and telephone services. Also, we need to have different options for internet because sometimes one provider goes down and we need another as a backup.
